

CONFERENCE HALLS

TVORŠOVICE

The Spa & Wellness Konopiště resort is an ideal place for organisation of corporate and social events. It has necessary areas and equipment for organisation of training sessions, meetings, conferences, congresses, family days and various educational events, including premises for both active and passive rest, as well as possibilities of relaxation.

The resort is situated in the Community of Tvoršovice, not far away from Benešov. The distance from the Prague centre is 50 km, from Brno 200 km.

In the resort area it is possible to find a hotel with a capacity of 100 luxury two-bed rooms, several conference rooms, including necessary technology (the largest one having a floor area of 400 m² - i.e. approximately 350 participants), a large wellness centre (2,000 m²), two restaurants, two 18-hole golf courses. The Konopiště castle is situated nearby. For more information about the premises please see the following pages.

Excellent accessibility from Prague with possibilities of parking.

A very calm area in nature. Accompanying activities are available.

Air conditioning on the resort premises.

Variable premises fitted with the Internet connection.

Well-equipped premises, including the necessary technology.

Two restaurants in the resort, offering specialties of European and Czech cuisines, buffet parties.

Hotel with year-round operation with 100 luxury rooms.

Indoor and outdoor swimming pools, steam, sauna and relaxation zone.

Balneo offers massages, baths, wraps, inhalations, etc.

We will be glad to prepare a tailor-made offer for organisation of your events and we will show you round our resort. Do not hesitate and contact us.

CONFERENCES AND TRAINING | LEASE OF PREMISES

The resort has several conference rooms suitable for various events and meetings. The largest one can be divided by a noise insulation partition into two parts; it has altogether 400 m² + 2 anterooms. Another large hall has 130 m² and there are still another 3 smaller saloons available to our customers. The arrangement and variability of the premises will satisfy also the most demanding clients.

| CONGRESS HALL

The congress hall with a floor area of 400 m² is the largest conference room. Thanks to the high ceilings it has a lot of possibilities of use, both for a large congress and for presentation of products or dancing performances. Access to the hall is through an anteroom with a floor area of 72 m². The hall is equipped with air conditioning, background facilities, good acoustics, and within a few minutes it is possible to divide it into two smaller halls by using a noise insulation partition wall also several times a day.

SERVICES

To achieve successful events, the resort is equipped also with additional equipment. The resort includes two restaurants, a hotel, spa & wellness and other accompanying activities for spending time between various meetings.

| RESTAURANCE

There are two restaurants in the resort, namely Tee no. 19 and Steak House St. Florian. We offer meals of traditional Czech as well as international cuisines.

Catering for large groups is served by way of a buffet party on the premises of both the restaurants, thanks to which all participants can choose comfortably according to their preferences. The offer includes breakfasts, lunches, coffee breaks, dinners as well as various events focused on special topics. For small groups it is possible to ensure a-la-carte choice or a choice from an offer agreed upon beforehand. After a mutual agreement it is possible to serve small refreshment directly on the premises where the events are held.

| ACCOMMODATION

A hotel with a year-round operation is situated directly in the heart of the resort. In several buildings it offers 100 luxury two-bed rooms. Parking is included in the price of the accommodation.

| SPA & WELLNESS

The clients can use both indoor and outdoor swimming pools, a whirlpool, salt bath, Kneipp path, steam, sauna or sunsky. It is possible to take various beautifying, curing or relaxing procedures, such as massages, packs, inhalations or baths. There is also a training room prepared for clients and a fitness hall available for groups.

| ACCOMPANYING ACTIVITIES

Within the framework of corporate events we offer also other accompanying activities, whether directly in the resort or in its vicinity.

This includes especially the following possibilities:

- Golf games, including lessons for beginners
- Visit to the castles of Konopiště and Jemniště situated nearby
- Sightseeing flights from the near airport in Bystřice
- Cycling, teambuilding activities
- Visit to the brewery in Velké Popovice

We will be glad to prepare a tailor-made offer for organisation of your events and we will show you round our resort. Do not hesitate and contact us.
